

## **Axience participates in Thomson Reuters India's Capital Markets Conference**

**Mumbai, India, September 2008** – Axience participated in Thomson Reuters India Capital Market Conference recently as an endorser.

International Financing Review, the world's most trusted source of capital market information, conducted the 2nd Annual India's Capital Markets conference in Mumbai on the 9th -10th September 2008.

This one and a half day event featured insight from leading capital market professionals on the future of India's domestic financial and corporate sectors and markets. Conference sessions provided focused analysis on macroeconomic outlook, including monetary policy; regulation, foreign investment and currency issues; offshore loan market and corporate activity Equities; IPOs, and venture capital activity; bond markets and hybrid capital; infrastructure and structured finance and real estate.

Hemant Jain, CEO of Axience said at this occasion, “we are excited to endorse the Capital Markets Conference and participate in it especially at a time when we treat India as a key geography as business services provider to global financial services industry.”

Axience provides bespoke research and analytics solutions to the financial services sector, consulting firms and general industry globally. Its key clients include leading global investment banks, asset management, hedge fund and private equity firms, leading consultancies and governmental agencies.

Axience was established at the beginning of 2007 with a goal of becoming a leading business services firm providing knowledge based research, analytics and consulting services to financial services, consulting firms and industry.
